

PRESS RELEASE

REMINDER ON FINANCIAL SCAMS

With many employees from the public and private sectors receiving year-end bonuses, the Autoriti Monetari Brunei Darussalam (AMBD) would like to remind members of the public to be wary of unauthorised and misleading use of the AMBD logo and name for the endorsement of investment products or programmes, including those offered through social media such as WhatsApp and Facebook.

Financial scams are often promoted as seemingly attractive investment opportunities, sometimes fraudulently claiming the endorsement or approval of regulators. Members of the public are therefore urged to ensure that individuals and companies offering financial products are licensed by AMBD, a list of which can be found on www.ambd.gov.bn. For further information, members of the public are advised to contact AMBD at 2388388 or by email at fi@ambd.gov.bn.
